The Project in Brief:

Each local association annually selects on outstanding REALTOR® member who has made the greatest contribution to the advancement of the real estate profession and the committee.

You have been nominated for the Berkshire Boards consideration, by another REALTOR® member who has recognized you with respect and admiration.

All Nominees are asked to complete the following information (use any additional sheets / materials as desired). This information will be given to the Berkshire County REALTOR® of the Year Selection Committee. The committee will have the difficult task of reviewing each nominee submission and selecting the next Berkshire REALTOR® of the Year.

Once a local association candidate is chosen, they will be automatically in the running for Massachusetts REALTOR® of the Year. MAR will appoint their own selection committee to review the submissions from each board across the state. The winner will be announced at the State Convention in October.

The Berkshire County Board of REALTORS® - REALTOR® of the Year will receive an all expenses paid trip to the State convention in October (up to \$1,000).

Good Luck and thank you for your service, support and dedication. We couldn't do it with out you!
